METHOD

In April, 2011, a list of cooperating teachers receiving payment from FSEHD in the last three years was extracted from the People Soft financial database, N=1414. The list included both cooperating teachers for student teaching and various practica. An email request with one follow-up reminder was sent to complete an online survey, below. 398 completed and 5 partial responses were received; the response rate is 28.5%.

CERTIFICATION

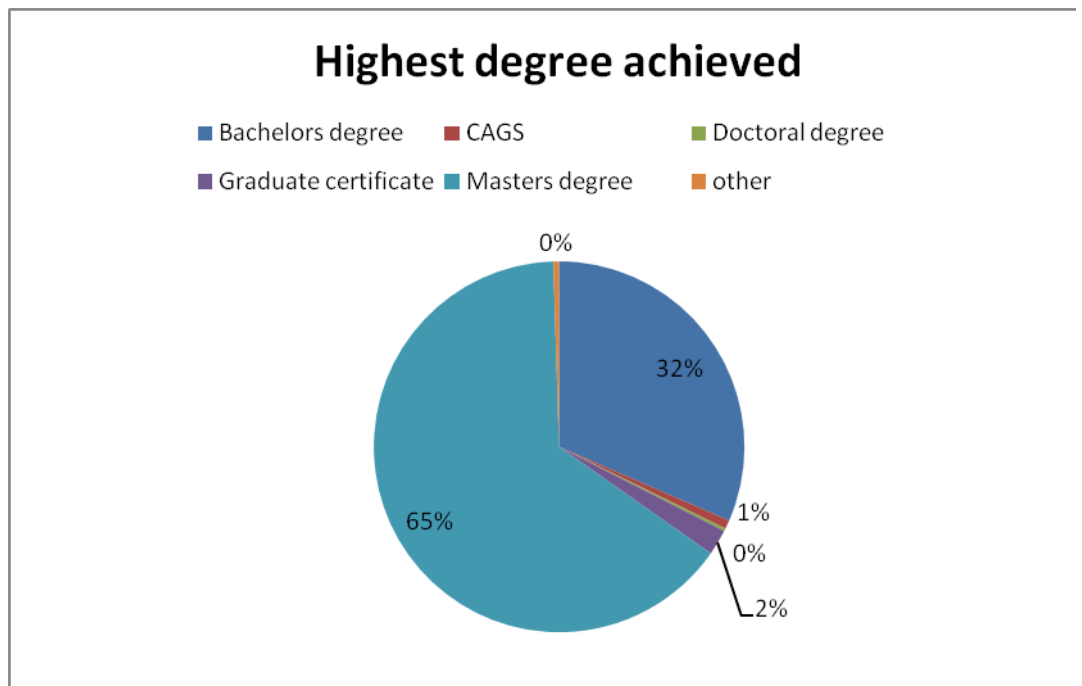

Status	Certification	%
