

## ARTISTIC DEVELOPMENT PORTFOLIO (connects to RI Beginning Teacher Standard #3)

This course assignment is to create a portfolio (a presentation in both images and text) of artistic development. This project should include the following:

Title Page

Introduction (an explanation of artistic development and overview of your portfolio)

Original examples of artwork done in each of the following stages:

Mark Making (Ages 2-4)                      – 3 images

Early Symbol Making (Ages 4-7)           – 3 images

Symbol Making (Ages 7-9)                 – 3 images

Emerging Expertise (Ages 9-11)          -- 2 images

Artistic Challenges (Ages 11-13)       -- 2 images

Artistic Thinking (Ages 14-17)         – 2 images

Adult (Ages 18+)                          – 2 images

Professional                                – 5 images and a brief biography for each  
\*include representation of 5 noteworthy artists/artworks you wish to focus on in your future teaching: a Western fine artist, a Non-Western artist, a woman artist, a picture book artist, and a contemporary artist)

References (listed in APA format)

Each of these should be illustrated with original unpublished artwork that has been collected by the student as well as an explanation of why it was chosen (a description of how it is representative of that stage). The only exceptions are the Professional examples that should each include the museum or gallery that owns the piece as well as the title, date, medium, and size of the artwork.

*Presentation as well as content* are highly valued towards your grade on this assignment. Is it something worth reading? Are the images quality visuals in terms of clarity and color? Is it professionally presented? Most importantly, have you taught your reader something? Consider how you might use this in the future for your advocacy efforts for art education!

Visual – 10 points

Verbal – 10 points

Layout – 10 points

Total possible points: 30 points
