

Demonstration of Professional Commitment in Health Education and/or Physical Education (March, 2008)

Professional Points

Prior to enrollment in PED 426 (Student Teaching in Physical Education) or HED 427 (Student Teaching in Health Education) students must have accumulated a minimum of 16 points (Double Majors need 8 PED points and 8 HED points) of voluntary time spent in professional Health Education and/or Physical Education activities.

◀ Prior to enrollment in HED 426 (Community Health: Field Placement) students must have accumulated a minimum of 16 points of voluntary time spent in professional Health Education activities.

◀ These educational activities **must not be part** of any course requirements. All credits for demonstration of professional commitment must be documented and submitted to the student's advisor for approval.

◀ These points must be earned from a **Minimum of Four Different Areas** listed below.
